

AGILITY TRAINING BY BEV DALE AND JAMES AMOR

Agility training tailored to YOU... because one size doesn't fit all!

Bev & James have trained and competed with dogs of all heights, all grades, and of many different breeds. They are 2012 Skinners Sevens Pairs Champions, compete in Medium and Large KC Championship, and jointly own Fylde Agility club.

With combined experience of over 30 years, we pride ourselves on our understanding of the various learning styles of the diverse breeds encountered in agility. We are terrier, gun dog and collie specialists, and easily adapt our skills to meet the needs of all breeds.

Utilising positive reward based training methods, we tailor our approach to the needs of you and your dogs. Whether you just want to have fun with your dog, or are deep in preparations for Crufts, Olympia or KC Championship, we can help!

We offer both one-to-one and group training (at our venue or your club).
